COMPANY OVERVIEW

GingerSec provides end-to-end technology solutions for businesses and government entities. We strive to make computer solutions customer-friendly and allow our clients to feel that the technology they are utilizing works to its full potential.

We offer system administration, cyber security, and web design services to name a few. This allows us to provide unrivalled support across a wide range of IT environments.

With our experienced team we can meet the critical response times required by government entities and businesses alike.

CORE COMPETENCIES

Our technology experts and business professionals design and implement solutions in the areas of system administration, cyber security, and web design. We build trusted relationships, combining innovative modern technologies with personal service by responsible, dedicated people. We believe in our customers and our

team consists of experienced professional who align with our core values of integrity, efficiency, and excellence. We work with our staff to keep your IT functioning as smoothly and cost-effectively as possible so you can stay focused on your organization's most important initiatives. We specialize in:

- System Administration
- Cyber Security
- Cloud Computing
- Server Administration
- Web Design
- Branding
- Computer Training

MAKING TECHNOLOGY WORK

GingerSec

SUCCESS STORIES

System Admin

City of St. Johns, AZ

GingerSec is currently providing IT support to the city of St. Johns, AZ. System Admins work along-side government employees to maintain the city's computer network.

Cyber Security

Parents of Addicted Loved Ones

GingerSec is currently providing cyber security protection to Parents of Addicted Loved Ones. Cyber Security Analysts monitor threats and ensure the security of the computer network.

Web Design

Kiser Law

GingerSec is currently providing web design and branding to Kiser Law. Web Designers work along-side the firm owner to develop a company brand and website redesign.

DIFFERENTIATORS

Service

Provides the highest level of customer service in the industry.

Quality

Meet/exceed the quality requirements of our clients.

Value

Provides ongoing product value to all our clients.

Integrity

Uphold integrity in all our dealings with each other, our clients, and our suppliers.

DEDICATED TEAM

When you work with GingerSec, you are working with a team that is dedicated to completing all contractual objectives within the scope of work.

GingerSec will also assign one of our experienced team members to oversee the contract and provide regular feedback to the Contracting Officer and COR as needed. Our dedicated team is not satisfied until all expectations have been exceeded.
